In accordance with the City Ordinances of the City of Gatesville, Texas, the undersigned hereby applies for a permit for the "digging of any hole or trenches upon, through of beneath the street, avenue, alley, square and public grounds of the City of Gatesville, Texas."

****A permit must first be obtained before any person may perform work relating to sidewalks, curbs, or gutters along the line of any street or alley.****

All work shall be performed at the sole expense of the person, firm or corporation making such application. Without expense to the City all excavation, cutting and/or digging and the repair and/or refilling of said excavation, cutting and/or digging to restore the surface and excavation to its original conditions, must be performed within ten(10) days from the time this permit was issued.

The following inspections are required:

If a person does not have engineered design, they must call the Street Superintendent for a pre-work inspection.

Once repairs to the street have been made, an inspection will be performed by the Street Superintendent.

Please call 254-216-2410 to schedule inspections.
