

Homestead Fair  
Vendor Application  
Saturday, April 24 9am-1pm  
Gatesville Freedom Park

There is no charge for vendors to participate but we do require an application to be submitted and approved. Only vendors who are selling or trading home grown or home produced items, in accordance with the homesteading theme will be accepted. Fruits & vegetables, seeds, plants, homemade pickles, jellies, and baked goods are examples of desired food items. All food must comply with Cottage Food Industry regulations. We cannot allow the sell of eggs or poultry. Sewn or crocheted items, woodwork, ironwork, and other handcrafted items will be considered. Individuals and groups who wish to set up a table for education/information sharing are welcome. We are also looking for presenters for some brief workshops throughout the day.

Freedom Park is a grassy area where vendors may set up their own tables and pop up tents. There will also be a limited number of spaces available in the parking lot allowing for sales from tailgates (see map on pg 2). Please indicate your preference and we will confirm your placement prior to the event.
